Review report to the Board of Directors of Mindteck (India) Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('Statement') of Mindteck (India) Limited ('the Company') for the quarter and nine months ended 31 December 2015. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 12 February 2016. Our responsibility is to issue a report on this Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements ('SRE') 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the unaudited financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results for the quarter and nine months ended 31 December 2015, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Primary Segments

The Company's operations predominantly relate to providing software services and IT-enabled services. Accordingly, revenues represented along software services and IT-enabled services comprise the primary segmental information. Certain expenses are specifically not allocable to individual segments as the underlying services are used interchangeably and accordingly expenses are separately disclosed as unallocable.

Segmental Capital Employed

Segregation of certain assets, liabilities, depreciation and other non-cash expenses into various primary segments has not been carried out as the assets are used interchangeably between segments. Accordingly, assets other than trade receivables are disclosed as unallocable and no disclosure relating to segmental liability has been made.

6 Previous period/year figures have been reclassified/ regrouped to confirm with current period/year presentation, wherever applicable.

Review report to the Board of Directors of Mindteck (India) Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results ('Statement') of Mindteck (India) Limited ('the Company') and its subsidiaries (collectively known as 'the Group') for the quarter and nine months ended 31 December 2015. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 12 February 2016. Our responsibility is to issue a report on this Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements ('SRE') 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the unaudited financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. The unaudited financial results for the quarter and nine months ended 31 December 2015 of certain subsidiaries, as furnished to us by the management, have not been subjected to review either by us or by other auditors. These subsidiaries account for 3% of aggregate of total income from operations (net) and other income for the quarter and nine months ended 31 December 2015, as shown in the Statement and therefore are not material to the Statement either individually or in the aggregate.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results for the quarter and nine months ended 31 December 2015, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

8 Segmental reporting (Consolidated - unaudited)

The Mindteck Group's operations predominantly relate to providing software services to external customers and providing IT-enabled services to consolidated subsidiaries within the Group. The Group considers business segment as the primary segment and geographical segment based on the location of customers as the secondary segment.

Since IT-enabled services are rendered to subsidiaries which are consolidated, the disclosure of a separate IT-enabled services segment as a separate primary segment is not applicable. The Group is therefore considered to constitute a single primary business segment and accordingly primary segment disclosures have not been presented.

The accounting principles consistently used in the preparation of the consolidated financial statements are also consistently applied to record income and expenditure in the individual geographical segments.
