Notes:

- 1 The above statement of unaudited standalone financial results ('the Statement') of Mindteck (India) Limited ('the Company') for the quarter and nine months ended December 31, 2025, have been reviewed by the Audit Committee and thereafter approved by the Board of Directors in their meeting held on February 06, 2026.
- 2 These standalone financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 3 In accordance with Ind AS 108, Operating segments, segment information has been provided in the consolidated financial results of the Company and therefore no separate disclosure on segment information is given in these standalone financial results.
- 4 During the nine months ended December 31, 2025, 42,000 ESOPs were exercised by employees under various Mindteck Employee Stock Option Schemes and 42,000 ESOPs were allotted, resulting in increase in equity share capital by Rs.4.2 lakhs and securities premium account by Rs.53 lakhs including transfer from ESOP reserve to securities premium account. During the nine months ended December 31, 2025, 70,000 ESOPs were granted under the ESOP Scheme 2008 and 41,666 ESOPs were forfeited.
- 5 The Company amended the objectives of the Mindteck Employees Welfare Trust ('Trust') to include employee welfare activities, following the winding-up of the ESOP Scheme 2020 administered by the Trust, effective from November 12, 2024. As a result of this amendment, the Company has merged the financials of the Trust with its Standalone Financial Statements, effective November 12, 2024. During the nine months ended December 31, 2025, interest income of Rs. 26 lakhs earned on a fixed deposit held by the Mindteck Employee Welfare Trust, is included in the Other Income of the Company's Standalone Financial Statements. Income of the trust is designated for the benefit of the Company's employees.
- 6 On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the "Labour Codes"). These Labour Codes consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during and after employment. Among other changes, the Labour Codes introduce a uniform definition of wages and enhanced employee benefits, including those relating to leave. The Company has assessed the financial implications of these changes, which have resulted in an increase in gratuity liability arising from past service cost and an increase in leave liability, aggregating to ₹ 530 lakhs. Considering that the impact arising from the enactment of the new legislation is non-recurring in nature, the Company has presented this incremental amount as "Impact of new Labour Codes" under "Exceptional Items" in the Statement of Profit and Loss for the quarter and nine months ended December 31, 2025. The Company continues to monitor developments related to the Labour Codes and will evaluate any further impact on the measurement of liabilities pertaining to employee benefits, if applicable.

Notes :

- 1 The above statement of unaudited consolidated financial results ('the Statement') of Mindteck (India) Limited ('the Company') for the quarter and nine months ended December 31, 2025, have been reviewed by the Audit Committee and thereafter approved by the Board of Directors in their meeting held on February 06, 2026.
- 2 These consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 3 The Mindteck Group's operations predominantly relate to providing software services to external customers and providing IT-enabled services to subsidiaries within the Group. Since IT-enabled services are rendered to subsidiaries which are consolidated, the disclosure of a separate IT-enabled services segment and accordingly primary segment disclosures have not been presented. Based on the "management approach" as defined in Ind AS 108 - Operating Segments, the Chief Operating Decision Maker also evaluates the Group performance and allocates resources based on an analysis of various performance indicators by geographical areas. Accordingly, information has been presented in respect of such geographical segments.

The accounting principles consistently used in the preparation of the consolidated financial statements are also consistently applied to record income and expenditure in the individual segments.

Independent Auditors' Review Report on the unaudited quarterly and year to date Standalone Financial Results of Mindteck (India) Limited, pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Mindteck (India) Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Mindteck (India) Limited ("the Company") for the quarter and nine months period ended December 31, 2025 ("the Statement"), which includes financial statements of Mindteck Employee Welfare Trust ("MEWT"), being submitted by the Company pursuant to the requirements of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended (the "Listing Regulations").
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) 'Interim Financial Reporting' prescribed under Section 133 of the Companies Act, 2013 ("the Act") as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by The Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the Company's personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Analysts cautiously positive on TaMo PV despite Q3 loss

NIKITA VASHISHT
New Delhi, 6 February

Dalal Street analysts remain cautiously positive on Tata Motors Passenger Vehicles (TMPV) after the PV arm of Tata Motors reported a mixed set of results for the December quarter of the current financial year (Q3FY26).

The optimism, they said, came amid an improvement in India business, along with a steady Jaguar Land Rover (JLR) outlook. Analysts expected that the Tata Motors group could see accelerated growth ahead, driven by a favourable product mix, strong response from new launches, cost optimisation benefits, and rising margin.

“Q3FY26 was a weak quarter for Tata Motors Passenger Vehicles. Nevertheless, JLR’s Ebitda (earnings before interest, taxes, depreciation, and amortisation) margin was ahead of our estimate. Domestic PV margin also improved sequentially. While variable marketing expenses (VME) spends will likely remain elevated in the near term owing to a challenging demand environment, we believe the worst is largely behind for JLR,” ICICI Securities said as it upgraded the stock to “Add” from “Hold”.

The brokerage also increased the target to ₹410 from ₹385.

Q3 results

In the October-December quarter of FY26, TMPV reported a net loss of ₹3,483 crore, as against a profit of ₹4,164 crore in the corresponding quarter last year (Q3FY25), hit by the JLR cyberattack incident, and provisioning on account of labour Code and stamp duty changes (post demerger with commercial vehicle business).

Its consolidated revenue slumped 26 per cent year-on-year (Y-o-Y) to ₹70,108 crore.

Glimmer of hope

Going ahead, JLR management has maintained its Ebit margin guidance of 0-2 per cent and free cash flow (FCF) guidance range of

(minus) 2.2 billion pounds to (plus) 2.5 billion pounds. This, analysts at Emkay Global Financial Services said, implies 0.5-0.8 billion pounds of FCF in Q4FY26.

‘India business accelerating’

Back home, analysts remain confident of Tata Motors PV’s India business gaining momentum, given the recent cuts in goods and services tax (GST), strong response to recent launches (Sierra, new Punch, petrol variants of Harrier/Safari), and cost optimisation initiatives. These cues, they said, are expected to aid margin rise.

“The management gave guidance for growth of 13-14 per cent in the PV industry in Q4, and 40 per cent in TMPV, implying 8-9 per cent PV industry growth in FY26 and mid-teens growth for TMPV. Given this, we have raised our share price target to ₹460 from ₹400, to factor in the improving outlook for the

India PV business,” Emkay Global said with an ‘Add’ rating.

“The outlook for Q4FY26 remains strong, with industry growth of 8-9 per cent in FY26, and the management expecting TMPV to outperform the industry with mid-teen volume growth in FY26,” noted JM Financial Institutional Securities.

Word of caution

Global brokerage Jefferies noted that even though Q3FY26 results were better than estimates and Q4 could see further improvement, multiple headwinds remain.

“India PV business remains relatively better positioned than JLR; yet, it may not be able to fully offset JLR drag,” the brokerage said. It maintained its ‘Underperform’ rating and a target of ₹310.

JM Financial, too, maintained its “Reduce” rating and target price of ₹357 owing to JLR challenges.

FOREIGN ASSETS AMNESTY SCHEME

Pay fee, gain immunity from harsher black money Act

SANJEEV SINHA

The Union Budget 2026 has proposed the Foreign Assets of Small Taxpayers -Disclosure Scheme (FAST-DS), 2026, a one-time amnesty window for small taxpayers to regularise undisclosed foreign assets and foreign-sourced income relating to past years.

What the scheme offers

The FAST-DS is a time-bound scheme. “By making a prescribed payment, eligible taxpayers can regularise such disclosures and obtain immunity from further tax, penalty, and prosecution under the black money law, subject to specified conditions and thresholds,” says Shubham Jain, director, SVAS Business Advisors.

Who can use it, who cannot

The scheme covers individuals who were residents in the year in which the undisclosed asset or income arose. It also includes those who are non-residents currently but were residents when they acquired the asset. “It covers

cases where the taxpayer did not file a return, filed a return but failed to disclose foreign assets or income, or where such assets or income were not assessed earlier,” says Jain.

However, the scheme only applies within specified monetary caps on undisclosed foreign assets and income. “Taxpayers exceeding these thresholds are not eligible to avail of the scheme,” says Aarti Raote, partner, Deloitte India.

What taxpayers can disclose

FAST-DS allows disclosure of undisclosed foreign assets such as overseas immovable property or investments held directly or as a beneficial owner, where the source of investment is unexplained or unsatisfactorily explained. “It also covers undisclosed foreign income that was chargeable to tax but not reported, including interest, dividends, or rental income,” says Raote.

What it costs

For cases where the combined

value of undisclosed income and assets is up to ₹1 crore, the payable amount includes 30 per cent tax on the asset value as of March 31, 2026, 30 per cent tax on the undisclosed income, and a penalty equal to 100 per cent of the tax computed.

“A flat fee of ₹1 lakh applies to undisclosed foreign assets up to ₹5 crore if they were acquired during non-resident status or funded from income already taxed in India but not disclosed after becoming a resident,” says Raote.

Who benefits?

FAST-DS applies to Indian resident taxpayers—resident and ordinarily resident individuals, as well as other resident assesseees such as companies and firms—

Black money Act: Tax, penalties and prosecution

- 30% tax on undisclosed item
- Penalty up to 3x tax due; effectively up to 90% of value, over and above 30% tax
- Non-disclosure of foreign assets exceeding ₹20 lakh: ₹10 lakh penalty, even if unintentional
- Aggregate non-disclosure up to ₹20 lakh in a financial year: no penalty or prosecution, subject to conditions; foreign immovable property excluded from threshold
- Wilful non-disclosure in ITR by resident taxpayer: rigorous imprisonment 6 months to 7 years, plus fine

whose undisclosed foreign income or assets fall within the prescribed limits and were not disclosed in earlier returns.

“Assets or income representing proceeds of crime, cases with proceedings initiated or pending under the PMLA, 2002, and matters where assessments are already completed under the black money Act, 2015, are excluded,” says Sandeep Jhunjhunwala, partner, Nangia Global.

Pros and cons

Tax experts say the scheme is beneficial as it provides immunity from penalty and prosecution.

“Upon payment of the prescribed tax and fee, the taxpayer is granted immunity from any further tax, penalty, or prosecution under the black money Act,” says Rupali Singhania, founder, Areete Consultants.

The main drawback is the relatively low monetary thresholds of ₹1 crore and ₹5 crore, which limit its reach. Also, once paid, the declaration is final — no revision, set-off, or appeal is permitted. Any amount paid is non-refundable.

What taxpayers should do

Eligible resident taxpayers should consider availing the scheme, as it requires a lower tax outgo and provides freedom from fear of imprisonment under the black money Act. “Consult qualified tax professionals to assess eligibility and tax implications, ensure complete disclosure of all undisclosed holdings, and avoid piecemeal reporting,” says Jhunjhunwala.

Cancer treatment bills hit ₹30 lakh; insurance cover falls short

Escalating cancer treatment costs and longer care cycles are heightening financial risks for Indian households, with bills for complex cases reaching ₹30 lakh as care shifts from one-time procedures to prolonged, multi-stage journeys, according to an insurance company’s analysis of claims.

Care Health Insurance’s

Read full report here: mybs.in/2g3mEcM

analysis shows a wide gap between early and advanced-stage treatment costs:

- Early-stage cancer treatment typically costs around ₹5-7 lakh per case.
- Advanced and high-complexity cancers can push total spending to ₹20-30 lakh.
- Costs vary by disease progression, treatment protocol, duration and care intensity.

■ Cancer treatment usually involves several phases rather than a single hospitalisation. Patients often undergo combinations of surgery, chemotherapy and radiotherapy spread across months.

■ Policy discussions increasingly focus on affordability and access to cancer care.

What policyholders should do

The insurer said broader and better-structured policies can reduce financial stress during treatment. Steps that help:

- Higher sum insured
- No-claim bonus additions
- No disease-wise sub-limits
- Large cashless hospital networks
- Critical illness riders or dedicated covers

Notes:

1. The financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2. The above Standalone and Consolidated results were reviewed and approved by the Board of Directors at its meeting held on February 06, 2026.

3. The above is an extract of the detailed format of Quarterly Financial results filed with the BSE Limited and National Stock Exchange of India Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

4. Exceptional items

a) On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the "Labour Codes"). These Labour Codes consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during and after employment. Among other changes, the Labour Codes introduce a uniform definition of wages and enhanced employee benefits, including those relating to leave. The Company has assessed the financial implications of these changes, which have resulted in an increase in gratuity liability arising from past service cost and an increase in leave liability, aggregating to ₹ 550 lakhs. Considering that the impact arising from the enactment of the new legislation is non-recurring in nature, the Group has presented this incremental amount as "Impact of Labour Codes" under "Exceptional Items" in the Statement of Profit and Loss for the quarter and nine months ended December 31, 2025. The Group continues to monitor developments related to the Labour Codes and will evaluate any further impact on the measurement of liabilities pertaining to employee benefits, if applicable.

b) During the quarter ended September 30, 2025, the company recorded a recovery linked to the restructuring of sales operations.

c) During the six months ended June 30, 2024, the company restructured its sales operations in the US, leading to a more streamlined and efficient sales process. This restructuring cost resulted in one time payments to affected employees which are reflected in the six months ended financials of Sep 30, 2024 and year ended March 31, 2025.

5. During the nine months ended December 31, 2025, 42,000 ESOPs were exercised by employees under various Mindteck Employee Stock Option Schemes and 42,000 ESOPs were allotted, resulting in increase in equity share capital by Rs.4.2 lakhs and securities premium account by Rs.53 lakhs including transfer from ESOP reserve to securities premium account. During the nine months ended December 31, 2025 70,000 ESOPs were granted under the ESOP Scheme 2008 and 41,666 ESOPs were forfeited.

6. The full format of the quarterly financial results are available on the Stock Exchange websites (www.bseindia.com) and (www.nseindia.com) and also on Company's website (www.mindteck.com)
