Limited Review report to the Board of Directors of Mindteck (India) Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('Statement') of Mindteck (India) Limited ('the Company') for the quarter ended 30 June 2015, except for the disclosures regarding 'Public Shareholding' and 'Promoters and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been reviewed by us. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 10 August 2015. Our responsibility is to issue a report on this Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements ('SRE') 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the unaudited financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

7 Segmental reporting (Consolidated - unaudited)

The Mindteck Group's operations predominantly relate to providing software services to external customers and providing IT-enabled services to consolidated subsidiaries within the Group. The Group considers business segment as the primary segment and geographical segment based on the location of customers as the secondary segment.

Since IT-enabled services are rendered to subsidiaries which are consolidated, the disclosure of a separate IT-enabled services segment as a separate primary segment is not applicable. The Group is therefore considered to constitute a single primary business segment and accordingly primary segment disclosures have not been presented.

The accounting principles consistently used in the preparation of the consolidated financial statements are also consistently applied to record income and expenditure in the individual segments.
