Item no. 1 and 2:

The Company, with an intention to motivate the key workforce for their contribution to the corporate growth, to create an employee ownership culture, to attract new talents and to retain them for ensuring sustained growth, had implemented an Employees Stock Incentive Scheme (“**ESIS**”) through the ‘Mindteck Employees Welfare Trust (“**Trust**”) in the year 2000 as per the relevant applicable laws at that time. Pursuant to the terms of ESIS, the Trust had acquired the 4,16,000 (Four Lakhs Sixteen Thousand) equity shares of the face value of Rs. 10 (Rupees Ten) each fully paid-up (“**Shares**”) with a view to transfer the same to the employees of the Company after exercise of vested options. However, to provide greater benefits and change in objectives of the ESIS, the Company had not granted any employee stock options to its employee. Hence, the ESIS became redundant.

In the meantime, with a view to motivate the senior and key talents of the Company and its subsidiaries for their contribution and to create an employee ownership culture as well as to attract new talents and to retain them for ensuring sustained growth, your Company intends to implement the ‘**Mindteck Employees Stock Option Scheme 2020**’ (“**ESOS**”/ ‘**Scheme**’) seeking to cover eligible employees of the Company and its subsidiaries. The Scheme shall be implemented through the Trust. The Company intends to grant 4,16,000 (Four Lakhs Sixteen Thousand) employee stock options convertible into 4,16,000 (Four Lakhs Sixteen Thousand) Shares of the face value of Rs. 10 (Rupees Ten) each fully paid-up (“**Shares**”).

The Trust had already acquired the aforesaid Shares. Thus, there shall not be any further equity dilution for the members upon transfer of such shares to the eligible employees upon exercise of Options.

Pursuant to the Section 62(1)(b) of the Companies Act, 2013 read with Regulation 6 of the SEBI SBEB Regulations, the Company seeks your approval as regards implementation of Scheme and grant of options thereunder to the eligible employees of the Company and its subsidiary company(ies), as decided from time to time.

Accordingly, the Nomination and Remuneration Committee of the Board of Directors (the “**Committee**”) and the Board of Directors (“**Board**”) of the Company at their meetings held on December 08, 2020 and December 11, 2020 respectively, had approved the Scheme subject to your approval.

The main features of the Scheme are as under:

a) Brief description of the Scheme:

The ESOS provides for grant of employee stock options (“Options”) to the permanent employees including Directors of the Company and its subsidiary company(ies), if any, as may be permissible under the SEBI SBEB Regulations (hereinafter referred to as ‘Employees’).

Upon vesting of Options, the eligible Employees earn a right (but not obligation) to exercise the vested Options within the exercise period and obtain equity shares of the Company which shall be transferred through the Trust subject to payment of exercise price and satisfaction of any tax obligation arising thereon.

The Nomination and Remuneration Committee (“Committee”) of the Company shall act as Compensation Committee for the supervision of Scheme and Trust shall administer the Scheme.

All questions of interpretation of the Scheme shall be determined by the Committee or Trust as per terms of the Scheme.

b) Total number of Options to be granted:

Total Options up to 4,16,000 (Four Lakhs Sixteen Thousand) convertible into 4,16,000 (Four Lakhs Sixteen Thousand) equity shares of the face value of Rs. 10 (Rupees Ten) each fully paid-up would be available for grant under the Scheme. Each Option when exercised would be converted into one equity share of Rs. 10 each fully paid-up and shall be transferred by the Trust to the concerned Employee.

The SEBI SBEB Regulations require that in case of any corporate action such as rights issue, bonus issue, merger and sale of division and others, a fair and reasonable adjustment needs to be made to the options granted. In this regard, the Committee shall adjust the number and exercise price of the Options granted in such a manner that the total value of the Options granted under Scheme remain the same after any such corporate action keeping the life of the Options intact. Accordingly, if any additional Options are issued by the Company or the Trust is required to transfer additional shares to the Option grantees for making such fair and reasonable adjustment, the aforesaid ceiling of Options/equity shares shall be deemed to be increased to the extent of such additional Options issued/shares transferred.

c) Identification of classes of Employees entitled to participate in the Scheme:

The class of Employees eligible for participating in the Scheme shall be determined on the basis of grade of the Employee, role, designation of the Employee, length of service with the Company or its subsidiary company, overall performance of the Company and such other criteria that may be determined by the Committee at its sole discretion from time to time.

All permanent employees including a Director, whether whole-time or not, of the Company and its subsidiary companies in or outside India shall be eligible to participate in the Scheme. Provided however that the following persons shall not be eligible to participate in Scheme:

- an employee who is a promoter or belongs to the promoter group as defined in the SEBI SBEB Regulations; or
- a Director who either by himself or through his relatives or through any body corporate, directly or indirectly holds more than 10% of the issued and subscribed equity shares of the Company; or
- Independent Directors.

d) Requirements of vesting and maximum period of vesting:

The Options granted shall vest so long as the Employee continues to be in the employment of the Company or its subsidiary company (ies), if any. The Committee may, at its discretion, lay down certain performance metrics/conditions on the achievement of which the granted Options would vest, the detailed terms and conditions relating to such performance-based vesting and the proportion in which options granted would vest. The Options would vest not earlier than **1 (One) year** and not later than a maximum period of **3 (Three) years** from the date of grant of Options as may be decided by the Committee at the time of each grant. The exact proportion in which and the exact period over which the Options would vest shall be determined by the Committee.

e) Maximum period within which the options shall be vested:

All the Options granted on any date shall vest not later than a maximum period of 3 (Three) years from the date of grant of Options as stated above.

f) Exercise price:

The exercise price for the purpose of grant of options shall be determined by the Nomination and Remuneration Committee which shall not be less than the face value of equity share of the Company.

g) Exercise period and the process of exercise:

The equity shares arising out of exercise of vested Options would not be subject to any lock-in period after such exercise.

The Options will be exercised by the Employees by a written application to the designated officer of the Company/Trust in such manner, and on execution of such documents, as may be prescribed by the Committee or Trust from time to time.

The Option will lapse if not exercised within the specified exercise period. The Option may also lapse under certain circumstances as determined by the Committee even before expiry of the specified exercise period.

h) The appraisal process for determining the eligibility of the Employees for the Scheme:
